Term 2, Week 10 July 2018

Yaama,

We have come to the end of a busy Term 2. Both children and staff have worked extremely hard to raise the bar across all areas of the school. I hope you all have a great winter break, rest and relaxation being a high priority.

An exciting new initiative of the Dept. of Education is being introduced at Berinba this school holidays. The Share our Space initiative is all about giving the school community access to the schools sporting facilities during vacation periods. The school's sports field will be open from 9am to 5pm every week day during the holidays for the community to access. A security guard has been employed to ensure the safety of participants and the school facilities. We hope that families will use the field in a safe and respectful manner whilst enjoying some great outdoor fun. Bring your own soccer balls, cricket bats or whatever to ensure you have a

worthwhile family recreational time.

Have a wonderful fortnight with your children.

Family Community Liaison Officer – Kristy Barber

Thank you to all our wonderful families who attended the MAGIC 123 Parenting Program earlier this term. The feedback has been very positive from everyone that attended the course. As we know, parenting is the hardest job there is, so it is always great to learn new skills or be encouraged that you are not alone!

Due to popularity, we will be running Magic 123 again during Term 4 this year. Dates and times have yet to be confirmed. If you are interested in participating, please email me with your preferred day of the week and time that you would be able to attend. It would be helpful to know expressions of interest as early as possible.

The course runs for **3 x two hour sessions**.

You can email me at Kristy.field@det.nsw.edu.au

Don't forget that if there is anything I can help you or your family with, you can contact me at the school (on Tuesdays or Wednesdays) or contact your child's classroom teacher. I help connect families to support services, allied health services, crisis care organisations, NDIS services, after school activities in the Yass Valley region and much more.
