Principal's Report

Term Four has certainly started at full speed. We have welcomed a number of new families into Berinba and are well underway in preparation for Kinder orientation. This is very exciting as there was a concern that we may not be able to run school visits. We are currently looking at options for our end of year celebration for Year Six and are pleased to be able to work on a transition plan for students heading into Year 7.

Friday, 23rd Oct., will be our cross-country, which will be run as a non-spectator event. Although this is a little sad the opportunity to return to events like this is most welcome. Equally, organisation is underway for other sporting activities which students are very much looking forward to undertaking.

School photos, which are scheduled for Monday 2nd Nov., will also progress as planned.

It is great to see an increase in the range of activities that students can participate in although it is still critical that we maintain our vigilance in ensuring our COVID safe routines remain in place. Everyone has been wonderful in understanding and adhering to the guidelines around visiting school premises and I ask that we maintain this as we undertake a broader range of activities for students.

As always, if and when guidelines change we will communicate this and hopefully extend the range of activities students can participate in and the number of visitors on-site.
