### Principals Report

As we pass half way through term one it is a chance to reflect on the very positive start we have had to the year. Our new spelling program is now well and truly up and running K to 6, with staff and students being challenged and engaged. My office walls are filling quickly with student work samples from across the school. It is a daily highlight when students proudly, bring their work to share with me. Movement around the school has been improved as the building works enter the final stage. Our beautiful Indigenous garden survived the horror summer with new growth emerging with the much-needed rain.

Our welcome afternoon and BBQ was very well attended. This a great opportunity for everyone to meet and generally get to know each other. Equally, our three-way interviews provided an opportunity for staff, parents and students to look at the year ahead and plan goals for learning.

A reminder about road safety around our school. The car park is only a drop off zone for students with a disability. This includes the driveway areas which can be dangerous if not left clear for access. Our bottom gate, in Petit St, is the preferred drop off zone as it has more parking and is not impacted by buses.

Congratulations and good luck to our swimmers who are heading to Regional's at Dapto next week on Wednesday 11th March.
